<sup>1</sup> For cable lengths longer than 2 m, add the number of the desired length in metres to the end of the listed model number (for model numbers ending with a number, add an "S" and then the length). Example for a 5 m cable: **E57LAL12A2** becomes **E57LAL12A2S5**.

<sup>2</sup> Avoid wiring these AC/DC models in series as the sensors may not perform reliably. Contact OMEGA's Applications Engineering with questions.
